The Chicago Fair.

Are you going to the World's Fair? Everybody is going if able. And now everybody is able, because an incorporation has been formed in Chicago, composed of the leading citizens and most responsible men there, and they offer the most enticing inducements at the cheapest possible rates.

They sell a ticket for \$131, that absolutely covers everything, on the installment plan. This certificate entitles the holder to first class transportation to and from Chicago from Carson during the Fair, transportation to and from depot and hotels for self and baggage, six admissions to the Fair with your lunch on the grounds, fourth, first class board and lodging for six days in their own commodious hotels and lastly their competent guides will see that all holders are shown around and miss nothing. Think of the crowded condition of Chicago during the fair and then of the ease and comfort of this method.

Only \$131 for everything and that as follows: \$6 down at time of signing contract, balance in equal monthly installments from time of signing till April 1st, 1893.

It is a good bank company as holders may have their money back at any time, less the first six for expenses, etc. Certificates are transferable and non-forfeitable.

If you are interested get and read one of the small hand circulars. Agent in Carson

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic and is the best remedy for diarrhoea. Twenty five cents a bottle.

Don't think glasses are only for old people; it is a great mistake. A glass becomes to the over-burdened muscle of the eye as much of a necessity as food to the empty stomach or cane to him who has not the full power of his legs. If you have trouble with your eyes see Dallas Dodd and have a pair of glasses accurately adjusted. Difficult cases solicited from those who have failed to secure satisfaction elsewhere. Office at Ormsby House parlors. All work guaranteed to give satisfaction or money refunded. o16

Dr. Fox treats all diseases of the rectum, including hemorrhoids fistula, fissures and ulcers, on modern scientific principles and radically cures without pain, without loss of blood and detention from business. *

ALL SORTS.

Sullivan is after Slavin's scalp. McKee Rankin will appear here on Nov. 6.

If you don't use Lily White Flour you don't get the best.

The mines are dragging along nicely on a regular milling basis.

A trial is all that is necessary to warrant the use of "Lily White" Flour.

It is rumored that there will be a change of sack handlers next Fall in Ormsby.

It is reported that Warner Sheridan has struck it rich in the Breytogle district.

Flood beat Mackay in a transcontinental trip by thirteen minutes. Mackay is looking for a return match.

A Frenchman who visited this country expressed his views tersely: "Mon Dieu, one hundred religions and only one soup."

The Irish tug-of-war team at the tournament has challenged the winning team to a tug for \$1,000 a side, to come off in about a month.

The Gazette is in error when it states that an ex-lawmaker from Ormsby got knocked out in a fist fight. Ormsby county lawmakers never get licked.

The sleeper from here to Reno has been discontinued. The porters threatened to leave the company's employ on the grounds that the tips were too light.

The brother of the man who was recently lynched in Reno is in the Riverside town looking for the man who put a rope around his brother's neck. The Renosites say that if he gets too inquisitive they will give him the same kind of a deal.

According to the Nebraska State Journal somebody interrupted a speech by Jerry Simpson in Ohio by suggesting a cheer for John Sherman. Jerry crushed him instantly by retorting: "My friend, hurrahing for Sherman will not put a pair of pants on your back."

A circus clown in Berlin on seeing his wife, who was riding a bare back horse around the ring, bow and smile to a group of officers, pulled a pistol and shot her dead. It shows that German clowns can on occasion be as serious as some of the American variety.

All England is stirred up by a decision of court that a parlor maid cannot be compelled by her employer to wear a cap. The tory papers defend the employer, while liberal papers uphold the decision, urging that the wearing of the cap was demanded as a badge of social inferiority.

The New York World is receiving subscriptions for the relief of Mrs. Maybrick, the American woman who was found guilty of murdering her English husband and sentenced to imprisonment for life by a British Judge. The British Home Secretary has officially declared that Mrs. Maybrick has not been proven guilty, and the subscription is for the purpose of securing money to help her to obtain her release.

All a Mistake.

The reporter that has accompanied the special train to the scene of the wreck hurried down the embankment and found a man who had one arm in a sling, his front teeth gone and his nose knocked four points to starboard, sitting on a broken truck of the sleeping car and surveying the horrible ruin all about him.

"Can you give me some particulars of this accident?" he asked, taking out his note book.

"I haven't heard of any accident, young man," replied the disfigured party, stiffly.

He was one of the officers of the road.—Chicago Tribune.

Cider.

Doc Benton has leased several orchards and is concentrating his attention to the production of genuine apple cider fit for table use or mince pies. It's the real article and can be ordered at his livery stable. o23tf

Crooked Work.

Alter all the excitement over the tug-of-war in San Francisco, it is to be regretted that crookedness should crop out.

It is charged that a trick was resorted to by several teams, nearly all in fact. The anchor man, who is the one at the end, has the rope fastened around his waist, and there is a big knot on his right side.

During the tug the men are frequently prostrate with their feet against the cleats of the floor.

All the anchor man has to do is to lie down so that the knot falls behind a cleat, and ten teams could not pull it an inch.

The knot holds the other team level until they are exhausted, while the team taking advantage of the trick are having a good rest.

It seems impossible for any kind of sport to take place in San Francisco without some kind of crookedness being attached to it.

Bodie in 1878-9.

Now all that remains of this once prosperous town, is the site upon which it was located.

In a late speech Democratic candidate Campbell spoke of the tariff on pearl buttons, to which McKinley replied: "It is true that we did put a tariff on pearl buttons, and hundreds of men are at work where before idleness and want prevailed. I had not heard pearl buttons were being made in the penitentiary at Auburn, New York, until Governor Campbell made the charge and so this very day I wired to New York for information. I asked J. S. Fassett, Republican candidate for Governor and he referred me to W. B. Winslow, of Auburn, who replied: "Yes, 150 convicts are making pearl buttons. The Penitentiary is as all our New York institutions and have been for four years, under Democratic control and officials." Pausing a moment Major McKinley exclaimed: "What a spectacle! The tariff bill bars out forever any convict made goods of foreign land, and here in America a Democratic administration of a penitentiary takes advantage of a tariff law it pretends to hate and puts convict labor against free American labor!"

Mrs. Mary Dahl, and three minor children have sued Captain H. L. Tibbals at Port Townsend for \$20,000 for causing her husband's death last Autumn. Tibbals and Dahl were exercising blood horses when the team became frightened and ran away, throwing Dahl out, which caused his death. The plaintiff alleges that Tibbals was intoxicated. Tibbals is a prominent and wealthy citizen and a Pacific Coast pioneer.

Griffith S. Griffith, a prominent capitalist and owner of Los Felix Rancho, was shot and seriously wounded near the Catholic Cemetery at Los Angeles Tuesday by a man named Burkett, who immediately committed suicide by shooting himself through the head. A Terrible Encounter.

Chicago, Oct. 29.—A Little Rock (Ark.) special says news were received there of a terrible encounter at the Farmers Alliance meeting at Bucksport last night. In a quarrel between the spectators rifles shotguns pistols were used with deadly effect. Bert Manning, J. H. Town and three others who names are not known were killed, and several were slightly wounded. Politics was the sole cause of the trouble.

There is no Secret

About your buying shoes to advantage. You may not know any more about the quality of leather than you do about a lost comet but that is no reason why you should get "stuck." Either you get your money's worth or you don't and if you don't it is your own fault. We are in the shoe business because we happen to know something about shoes and leather. It is "bread and butter" to us, therefore we make it a STUDY. Of the knowledge you get as much benefit as though you possessed it yourself for we place it entirely at your disposal and if you think that other houses can quote lower prices than we do, come and look at the goods and and prices. We will put our time against yours and we feel confident that the result will be a mutual benefit.
